PLAYER CODE OF CONDUCT ACCEPTANCE

SUASL is committed to providing a safe family sports and entertainment environment for all participants. To prevent violence and the potential for games to escalate out of control, where players and spectators can severely injure each other, it is extremely important that you as a player have also committed to making a difference in stopping and preventing violence.

As a condition to be eligible in playing soccer for SUASL, I agree to honor the player Code of Conduct. I further understand that a violation of the Code of Conduct establishes grounds for suspension, fines and expulsion.

1. I shall not engage in foul and abusive language directly or indirectly at referees, players, teammates or spectators, on or off the soccer fields.
2. I will play competitively without unnecessary aggression, physical violence, and with no intent to injure another player.
3. When I'm on the side lines, if a fight breaks out on the field I will not enter the field and will encourage my team on the field to walk away.
4. If a fight breaks out between two players, my duty is to safely attempt to break up the fight and not join in, even if another player assaulted my teammate.
5. I will do whatever necessary to calm down my teammates and avoid escalation of violence. I will follow instructions from my team captain or manager.
6. I agree to support my team captain in enforcing the rules and player Code of Conduct established by the league.
7. I agree to walk away and not argue good or bad calls with the referee.
8. I agree to let the referee call the game and will refrain from shouting for calls.
9. I will use the bathroom facilities in and around the soccer field(s) and will not participate in any littering or indecent exposure in the parks where SUASL is operating.
10. I will not engage in drinking alcoholic beverages before and during my games. I will comply with all drinking rules established by the facilities in use by SUASL and will acquire an alcohol permit where required. I will clean up the area used by my team.
